

J.J.E.U. CONTINENTAL REFEREE COURSE, ATH, Belgium

In any high level competition the presence of a good referee is just as important as having two good competitors. It is for this reason that the J.J.E.U. has decided to set up a number of annual Continental Referee Courses to forge new officials and to keep those already in service duly updated.

So it is that between April 20 ad May 2 the Ligue Belge de ju-jitsu, Association Francophone de Ju-Jitsu (AFJJ) organised a JJEU referee course under the coordination of Roel van Ravens, Director of the JJEU Referee Committee

Out of a total of 21 participants, 11 passed the examination for continental referee. Our compliments go to the future referees of JJEU activity:

1	VANSNICK-LOOZE Anne	Belgium
2	VANCAMPENHOUT Benny	Belgium
3	BASTIN Patrick	Belgium
4	PITOT Laurent	Belgium
5	WILLEMS Pol	Belgium
6	PYTLOCH Lukas	Poland
7	MATEJOK Waldemar	Poland
8	LASOTA Alicja	Poland
9	ALVES Antonio	Portugal
10	VALERO Antonio	Spain
11	HUMBERT Erick	France

The examiners were very much satisfied both by the level of preparation of the candidates and the hospitality of the organizers. A special thanks goes to AFJJ president **Francine Leleux** and to the Examinators : **Ueli Zürcher** (Switzerland), World referee and candidate member of the J.J.E.U. Referee Committee.
